Norwood Indians Weekly

September 18, 2020 — Fall Issue 3

Football

The Norwood Football team fell to Roger Bacon last Friday. They are now 2-1 overall but are looking to rebound in a big way against Purcell Marian tonight at Shea Stadium.

Tonight is Senior Night and the Battle for the Mayor's Cup! We look forward to recognizing our Football players, Cheerleaders, Marching Band members, and Cross Country runners.

Soccer

The Lady Indians are currently 3-1 after their great start to the season with wins over North College Hill, Deer Park, and Purcell Marian!

The men's team will travel to Cincinnati Christian this evening to take on the Cougars and look for their second win of the season.

Cross Country

Good luck to our runners at the Eaton Invitational tomorrow! Bring home some placers!

Golf

The Men's Golf team fell to Dayton Christian on Monday but still have three wins on the season. They will be prepping for the MVC Tournament Day 2 next week. Good luck!

Volleyball

The Lady Indians are currently 4-6 overall after a win this week over New Miami and a tough loss to Summit Country Day last night.

Top stats leaders for Norwood are: Dahlia Khalil (3rd in MVC in Blocks), Aleena Grubbs (11th in MVC in Digs), and Sophie Williams (7th in MVC in Assists & 9th in MVC in Serves). Next up is Mt. Healthy on Monday!

Tennis

The Women's Tennis team fell in each of their matches this week but are excited for the next few weeks with Senior Night on Monday, September 28th and the GCTCA Tournament on Thursday. Good luck ladies!
